As one of workshops of ICCSIT (http://www.iccsit.org), The 2nd Workshop on Big Data Sciences (WBDS 2022) will be held in Tokyo, Japan during October 14-16, 2022. WBDS allows academia to meet industry from the international community to exchange experiences, demonstrate their studies and further advance big data science. You will also have a chance to discover the fascinating culture and architecture of Japan, try out the local cuisine, and discover the city's hidden gems.

As your safety is our top priority and concern, the conference has added online attendance / presentation for participants in case of you cannot attend the conference because of the COVID-19. The paper will be published as usual for the online presentation.
